The Pastor's Pen

The Central Baptist Church is a progressive and innovative church family with a theme of "Reclaiming Our Families Through Patience, Perseverance, and Prayer." We have a myriad of talents and gifts within our church body. We believe in the holistic approach to ministry and we have over forty ministries to help the total person. Our church family is (1) Friendly, (2) Faithful, and (3) the Favor of God is upon us. We are excited about the vision of God upon the ministry of this

church. God never gives a vision without making provisions.

We communicate this vision through social media, vision casting, and phone tree messaging. The Central Messenger is our on-line newsletter to further enhance our vision for communicating and spreading the Gospel of Jesus Christ. Please read and enjoy!

Blessings

Pastor Ricky Ray Ezell, Sr.

*When I stand before
God at the end of my
life, I would hope that I
would not have a single
bit of talent left and
could say, I used
everything you gave me.*

A Note To Our Students

It's never too early to get started. Your child maybe a high school freshman or a senior, you should begin your financial aid search as soon as possible. Scholarships for high school students are the most popular and most awarded. If you get an early start, you are increasing your chance of being awarded more money for college.

There are several resources and websites available for parents and students to search for different scholarships. Scholarships vary from athletic, college-specific, company-sponsored, merit-based and minority., just to name a few. Unigo.com is a great online resource that can help you find and apply for a host of scholarships! Remember, every dollar helps!

Richland County Government offers many types of exemptions to its citizens. One of the most popular is the Homestead Exemption.

The Homestead Exemption is a program designated to help the elderly, blind, and disabled. This program exempts the first \$25,000 value of your primary home.

Qualifications include:

You must be Age 65 before December 31 of the year before you fill out the application. If you own real estate jointly

with a spouse, only one is required to be 65 years of age.

* If property is jointly owned, please bring or mail the spouses date of birth.

- To apply you will need proof of date of birth (driver's license or birth certificate).
- DISABILITY—You must be totally and permanently disabled: To apply you will need to present documentation from the state or federal agency certifying the disability

- BLINDNESS—Certified by a licensed ophthalmologist, or a letter from the Commission of the Blind.
- Either of the aforementioned qualifications—age, disability, or blindness makes one eligible for the exemption

Questions regarding eligibility status and application procedures should be directed to: (803) 576-2610 or (803) 576-2611.

FYI-Disabled Veterans Exemptions

A Disabled Veteran who is 100% permanently and totally disabled service connected, is entitled to exemption on his or her legal residence and up to one acre of land and exemption from taxes on no more than two vehicles owned or leased by the disabled veteran.

To qualify for the vehicle exemption, the South Carolina

Department of Revenue requires that the vehicle be registered solely in the name of the disabled veteran or jointly owned in the name of the disabled veteran and his or her spouse to qualify for the exemption. To apply you will need your qualification letter from the Department of Veteran Affairs and complete form PT-401-at the SCDOR.

A surviving spouse may continue to use the "V" tag after tag after the death of the disabled veteran so long as the surviving spouse does not remarry; however, the surviving spouse will not be entitled to the exemption.

The surviving spouse will be entitled to reapply for the exemption on the residence unless remarried.

FYI - Prisoner of War (POW)

Any member or former member of the armed forces who was a prisoner of war in World War I, World War II, the Korean Conflict, or the Vietnam War and who is a legal resident of this State. This exemption also extends to the surviving spouse of a qualified former POW for the lifetime or until the remarriage of the

surviving spouse.

The Disabled Veteran or Prisoner of War (POW) must apply with the Department of Veteran Affairs (VA). Once the VA approves the application; the disabled veteran will receive a letter stating that the veteran is 100% permanently disabled. The disabled veteran will then take the letter and fill

out a form PT-40 at the SCDOR, located at 301 Gervais Street, Columbia, South Carolina, and the disabled veteran will be granted their exemption. The disabled veteran will provide proof of exemption from SCDOR to the Richland County Auditor's Office to receive a zero tax bill.
